Section 2G.01. Situs of the Tax. –

a. For purposes of collection of the business tax under the "situs" of the tax law, the following definition of terms and guidelines shall be strictly observed:

   1. **Principal Office** - the head or main office of the businesses appearing in the pertinent documents submitted to the Securities and Exchange Commission, or the Department of Trade and Industry, or other appropriate agencies as the case may be.

The Municipality or municipality specifically mentioned in the articles of the incorporation or official registration papers as being the official address or said principal office shall be considered as the situs thereof.

In case there is a transfer or relocation of the principal office to another Municipality, it shall be the duty of the owner, operator or manager of the business to give due notice of such transfer or relocation to the local chief executives of the cities or municipalities concerned within fifteen (15) days after such transfer or relocation is affected.

2. **Branch or Sales Office** - a fixed place in a locality which conducts operations of the businesses as an extension of the principal office. However, offices used only as display areas of the products where no stocks or items are stored for sale, although orders for the products may be received thereat, are not branch or sales offices as herein contemplated. A warehouse which accepts orders and/or issues sales invoices independent of a branch with sales office shall be considered as a sales office.
3. **Warehouse** - a building utilized for the storage of products for sale and from which goods or merchandise are withdrawn for delivery to customers or dealers, or by persons acting on behalf of the business. A warehouse that does not accept orders and/or issue sales invoices as aforementioned shall not be considered a branch or sales office.
4. **Plantation** - a tract of agricultural land planted to trees or seedlings whether fruit bearing or not, uniformly spaced or seeded by broadcast methods or normally arranged to allow highest production. For purpose of this Article, inland fishing ground shall be considered as plantation.
5. **Experimental Farms** - agricultural lands utilized by a business or corporation to conduct studies, tests, researches or experiments involving agricultural, agri-business, marine or aquatic livestock, poultry, dairy and other similar products for the purpose of improving the quality and quantity of goods and products.

However, on-site sales of commercial quantity made in experimental farms shall be similarly imposed the corresponding tax under paragraph (b), Section 2A.02 of this Ordinance.

B. Sales Allocation

1. All sales made in a locality where there is branch or sales office or warehouse shall be recorded in said branch or sales office or warehouse and the tax shall be payable to the Municipality where the same is located.
2. In cases where there is no such branch, sales office, plant or plantation in the locality where the sale is made, the sale shall be recorded in the principal office along with the sale made by said principal office and the tax shall accrue to the Municipality where said principal office is located.

3. In cases where there is a factory, project office, plant or plantation in pursuit of business, thirty percent (30%) if all sales recorded in the principal office shall be taxable by the Municipality where the principal office is located and seventy percent (70%) of all sales recorded in the principal office shall be taxable by the Municipality where the factory, project office, plant or plantation is located.

The sales allocation in (a) and (b) above shall not apply to experimental farms. LGUs where only experimental farms are located shall not be entitled to the sales allocation herein provided for.

4. In case of a plantation located in a locality other than that where the factory is located, said seventy percent (70%) sales allocation shall be divided as follows:
   - Sixty percent (60%) to the Municipality where the factory is located; and
   - Forty percent (40%) to the Municipality where the plantation is located.
5. In cases where there are two (2) or more factories, project offices, plants or plantations located in different localities, the seventy percent (70%) sales allocation shall be pro-rated among the localities where such factories, project offices, plants and plantations are located in proportion to their respective volumes of production during the period for which the tax is due.

   In the case of project offices of services and other independent contractors, the term production shall refer to the costs of projects actually undertaken during the tax period.
6. The foregoing sales allocation under par. (3) hereof shall be applied irrespective of whether or not sales are made in the locality where the factory, project office, plant or plantation is located. In case of sales made by the factory, project office, plant or plantation, the sale shall be covered by paragraph (1) or (2) above.
7. In case of manufacturers or producers which engage the services of an independent contractor to produce or manufacture some of their products, the rules on situs of taxation provided in this article as clarified in the paragraphs above shall apply except that the factory or plant and warehouse of the contractor utilized for the production or storage of the manufacturer's products shall be considered as the factory or plant and warehouse of the manufacturer.
8. All sales made by the factory, project office, plant or plantation located in this municipality shall be recorded in the branch or sales office which is similarly located herein, and shall be taxable by this municipality. In case there is no branch or sales office or warehouse in this municipality, but the principal office is located therein, the sales made in the dais factory shall be taxable by this municipality along with the sales made in the principal office.

C. Port of Loading - the Municipality where the port of loading is located shall not levy and collect the tax imposable under Article A, Chapter 2 of this Ordinance unless the exporter maintains in said Municipality its principal office, a branch, sales office, warehouse, factory, plant or plantation in which case the foregoing rule on the matter shall apply accordingly.

D. Route Sales - sales made by route trucks, vans or vehicles in this municipality where a manufacturer, producer, wholesaler, maintains a branch or sales office or warehouse shall be recorded in the branch or sales office or warehouse and shall be taxed herein.

This municipality shall tax the sales of the products withdrawn by route trucks from the branch, sales office or warehouse located herein but sold in another locality.
