1. ISSUANCE OF BUILDING PERMIT

A building permit is required prior to construction, alteration, major repair, renovation or conversion of any building/structure owned by government or private entities. The permit becomes null and void if work DOES not commence within 1 year from the date of such permit, or if the building or work is suspended or abandoned at any time after it has been commenced for a period of 120 days.

Office / Division	Municipal Engineering Office
Classification	Complex
Transaction Type	Government To Citizen (G2C) Government To Business (G2B) Government To Government (G2G)
Who May Avail	All those who undergo construction, alteration, major repair, renovation or conversion of any building/structure within the municipality

1.1. REQUIREMENTS FOR ISSUANCE OF BUILDING PERMIT

REQUIREMENTS CHECKLIST		WHERE TO SECURE
1	Fully accomplished application form, originally signed and sealed of the following forms; • Five (5) copies of Application Form for Building Permit (one each for the applicant(original), Municipal Assessor's Copy, Philippine Statistics Authority, Building Official and Fire Department) • Four (4) copies Application Form for Electrical Permit	Office of the Municipal Engineer (Building Official)

	• Four (4) copies Application Form for Sanitary/Plumbing Permit	
2	In case the applicant is the registered owner of the lot, submit the following requirements such as: • Certified true copy of Original Certificate of Title (OCT)/True Copy of Title (TCT) on file with the Registry of Deeds. (1 photocopy) • Tax Declaration, and 1 photocopy) • Current Real Property Tax Receipt (1 photocopy)	Municipal Assessor's Office
3	In case the applicant is NOT the registered owner of the lot, any of the	Register of Deeds - Municipal Assessor's Office

	following duly notarized documents shall be submitted; • Contract of Lease • Deed of Absolute Sale/Donation	Owner of the property
4	The following sets of plans, all originally signed and sealed by respective professionals: • Five (5) sets of Survey Plans • Five (5) sets Design Plans • Five (5) sets Specifications • Five (5) sets Bill of Materials and Cost of Estimates	Licensed Architect or Civil Engineer

	• Five (5) sets Structural Design Analysis for two storey and above	
5	Four (4) photocopies of Valid Professional Licenses and Professional Tax (Receipt (PTR) with three specimen signature, sealed	Licensed Professionals
6	Certificate of Zoning Compliance	Marygail Antonette N. Killa (Zoning Officer)
7	Barangay Clearance	Barangay of the Applicant
8	Approved Letter of Intent addressed to the Municipal Mayor (for piggery, poultry and other business establishment applications)	Municipal Mayor's Office
9	Public Consultation (for piggery, poultry and other business establishment applications) • Prepare three(3) folders	Municipal Public Consultation Team

10	Endorsement letter to BFP	Engr. Anthony P. Maglaya (Municipal Engineer)
11	Fire Safety Evaluation Clearance	Bureau of Fire Protection (BFP)
12	One (1) original copy and two(2) photocopies of clearance from other agency such as; DAR, DENR, DOH (30 days submission) for land conversion	concerned government agency/ies
13	One (1) original copy and two (2) photocopies of road clearance; • Along National Road • Provincial Road	DPWH (Agoo District Office) Provincial Engineering Office at Capitol

1.2. PROCESSING STEPS FOR ISSUANCE OF BUILDING PERMIT

CLIENT STEPS	AGENCY ACTION	FEES	DURATION	IN-CHARGE
1. sign in client log book and conduct brief interview	1. conduct brief interview	None	3 mins	Jenny-lyn M. Santos (Admin Aide I)
2. forwarding client to the office of the mayor for approval and assessment	2. conduct brief interview	None	15 mins	Jenny-lyn M. Santos (Admin Aide I) Engr. Anthony P. Maglaya (Municipal Engineer)
3. submit duly accomplished forms and requirements	3.1. assess and review submitted accomplished forms and other supporting documents	None	2hrs 10 mins	Jenny-lyn M. Santos (Admin Aide I) Engr. Anthony P. Maglaya (Municipal Engineer)

	3.2 evaluate plans and pertinent documents as to technical requirements of the National Building Code of the Philippines.			
4. return after one (1) day to get the assessment slip / order of payment	4. advise client to return after one (1) day	None	1d	Jenny-lyn M. Santos (Admin Aide I)
5. present the order of payment / assessment slip to the municipal treasurer's office – window 2	5. collect the necessary payment, print and issue the official receipt (OR) to the client	see Fig. 1A	30 mins	Municipal Treasury
6. return to the Municipal Engineering	6.1 prepare the documents to be signed by the	None	5 mins	Jenny-lyn M. Santos (Admin Aide I)

Office and submit the official receipts (ORs) and get the approved building permit	municipal engineer 6.2 release the approved building permit			Engr. Anthony P. Maglaya (Municipal Engineer)

TOTAL PROCESSING TIME ..... 1d 3hrs 30 mins

TOTAL AMOUNT PAID ..... refer to Fig. 1A

1.A. BUILDING PERMIT FEES

Fig. 1A

For Group A - residential (dwellings)	PHP 10,000.00
For Group F - industrial (non-pollutive/non-hazardous industries and non-pollutive/ hazardous industries)	PHP 8,000.00
For Group J - accessory (agricultural and other occupancies/ uses not specifically mentioned under group a through i)	PHP 6,000.00

2. ISSUANCE OF FENCING PERMIT

A fencing permit is required prior to construction, alteration, major repair, renovation or conversion of any perimeter fence owned by government or private entities. The permit becomes null and void if work does not commence within 1 year from the date of such permit, or if the work is suspended or abandoned at any time after it has been commenced for a period of 120 days.

Office / Division	Municipal Engineering Office
Classification	Complex
Transaction Type	Government To Citizen (G2C) Government To Business (G2B) Government To Government (G2G)
Who May Avail	All those who undergo construction, alteration, major repair, renovation or conversion of any building/structure within the municipality

2.1. REQUIREMENTS FOR ISSUANCE OF FENCING PERMIT

REQUIREMENTS CHECKLIST		WHERE TO SECURE
1	Fully accomplished application form, originally signed and sealed of the following forms; • Five (5) copies of Application Form for Fencing Permit	Office of the Municipal Engineer (Building Official)
2	In case the applicant is the registered owner of the lot, submit the following requirements such as: • Certified true copy of Original Certificate of Title (OCT)/True Copy of Title (TCT) on file with the Registry of Deeds. (1 photocopy)	Municipal Assessor's Office

	• Tax Declaration, and (1 original and 1 photocopy) • Current Real Property Tax Receipt (1 photocopy)	
3	In case the applicant is NOT the registered owner of the lot, any of the following duly notarized documents shall be submitted; • Contract of Lease • Deed of Absolute Sale/Donation	Register of Deeds located at Municipal Assessor's Office Owner of the property
4	The following sets of plans, all originally signed and sealed by respective professionals: • Three (3) sets of Survey Plans • Three (3) sets Design Plans	Licensed Architect or Civil Engineer

	• Three (3) sets Specifications • Three (3) sets Bill of Materials and Cost of Estimates	
5	four (4) photocopies of valid professional licenses and Professional Tax Receipt (PTR) with three specimen signature, sealed.	Licensed Professionals
6	Barangay Clearance	Barangay of the Applicant
7	one (1) original copy and two(2) photocopies of road clearance; • along national road • provincial road	DPWH (Naguilian District Office) Provincial Engineering Office at Capitol
9	public consultation (for piggery, poultry and other business establishment applications) • prepare three(3) folders	Municipal Public Consultation Team

2.2. PROCESSING STEPS FOR ISSUANCE OF FENCING PERMIT

CLIENT STEPS	AGENCY ACTION	FEES	DURATION	IN-CHARGE
1. sign in client log book and conduct brief interview	1. conduct brief interview	None	10 mins	Jenny-lyn M. Santos (Admin Aide I)
2. submit duly accomplished forms and requirements	2.1. assess and review submitted accomplished forms and other supporting documents 2.2. evaluate plans and pertinent documents as to technical requirements	None	1 hr(s)	Jenny-lyn M. Santos (Admin Aide I) Engr. Dean G. Alcantara (Engineer I) Engr. Anthony P. Maglaya (Municipal Engineer)

	of the National Building Code of the Philippines.			
3. return after one (1) day to get the Assessment Slip / Order of Payment	3.1 advise client to return after one (1) day	None	2hrs 10 mins	Jenny-lyn M. Santos (Admin Aide I)
4. present the Order of Payment / Assessment Slip to the Municipal Treasurer's Office – Window 2	4. collect the necessary payment, print and issue the official receipt (OR) to the client	None	1d	Jenny-lyn M. Santos (Admin Aide I)
5. present the order of payment / assessment slip to the municipal treasurer's office – window 2	5. collect the necessary payment, print and issue the official receipt (or) to the client	See Fig. 2A	30 mins	Municipal Treasury
7. return to the Municipal	6.1 prepare the documents to be	None	5 mins	Jenny-lyn M. Santos (Admin Aide I)

Engineering Office and submit the official receipts and get the approved building permit	signed by the Municipal Engineer 6.2 release the approved building permit			Engr. Dean G. Alcantara (Engineer I) Engr. Anthony P. Maglaya (Municipal Engineer)

TOTAL PROCESSING TIME ..... 1d 1hr and 53m

TOTAL AMOUNT PAID ..... refer to Fig. 2A

2.A. COMPUTATION OF NECESSARY FEES FOR FENCING PERMIT

Fig. 2A.

SPECIFICATIONS	FEE
For made of masonry, metal, concrete up to 1.80 meters in height, per lineal meter or fraction thereof	Total Length x P3.00
For in excess of 1.80 meters in height, per lineal meter or fraction thereof	Total Length x P4.00
Made of indigenous materials, barbed, chicken or hog wires. Per linear meter	Total length x P2.40

3. ISSUANCE OF EXCAVATION/ELECTRONICS PERMIT

An excavation permit is required prior to construction, alteration, major repair, renovation or conversion of any utility structures and the like within the municipality The permit becomes null and void if work does not commence within 1 year from the date of such permit, or if the work is suspended or abandoned at any time after it has been commenced for a period of 120 days.

Office / Division	Municipal Engineering Office
Classification	Complex
Transaction Type	Government To Citizen (G2C) Government To Business (G2B) Government To Government (G2G)
Who May Avail	All those who undergo construction, alteration, major repair, renovation or conversion of any utility structures and the like within the municipality

3.1. REQUIREMENTS FOR ISSUANCE OF EXCAVATION/ELECTRONICS PERMIT

REQUIREMENTS CHECKLIST		WHERE TO SECURE
1	Fully accomplished application form, originally signed and sealed of the following forms; • Three (3) copies of Application Form for Excavation Permit	Office of the Municipal Engineer (Building Official)
2	The following sets of plans, all originally signed and sealed by respective professionals: • Three (3) sets Design Plans • Three (3) sets Specifications • Three (3) sets Bill of Materials and Cost of Estimates	Licensed Architect or Civil Engineer

3	four (4) photocopies of valid professional licenses and Professional Tax Receipt (PTR) with three specimen signature, sealed.	Licensed Professionals
4	one (1) original copy and two(2) photocopies of road clearance; • Along National Road • Provincial Road	DPWH (Naguilian District Office) Provincial Engineering Office at Capitol
5	Barangay Clearance	Barangay of the Project Location

3.2. PROCESSING STEPS FOR EXCAVATION/ELECTRONICS PERMIT

CLIENT STEPS	AGENCY ACTION	FEES	DURATION	IN-CHARGE
1. sign in client log book and conduct brief interview	1. conduct brief interview	None	3 mins	Jenny-lyn M. Santos (Admin Aide I)
2. submit duly accomplished forms and requirements	2.1. assess and review submitted accomplished forms and other supporting documents 2.2. evaluate plans and pertinent documents as to	None	1hr 10 mins	Jenny-lyn M. Santos (Admin Aide I) Engr. Dean G. Alcantara (Engineer I) Engr. Anthony P. Maglaya (Municipal Engineer)

	technical requirements of the National Building Code of the Philippines.			
3. present the Order of Payment / Assessment Slip to the Municipal Treasurer's Office – Window 2	3. collect the necessary payment, print and issue the official receipt (OR) to the client	Fee = Volume of Excavation x P3.00	30mins	Municipal Treasury
4. return to the Municipal Engineering Office and submit the official receipts and	4.1 prepare the documents to be signed by the Municipal Engineer	None	8 mins	Jenny-lyn M. Santos (Admin Aide I) Engr. Anthony P. Maglaya (Municipal Engineer)

get the approved building permit	4.2 Release the approved excavation permit			

TOTAL PROCESSING TIME ..... 1hr and 51m

TOTAL AMOUNT PAID ..... refer to 3.2.3

3. ISSUANCE OF OCCUPANCY PERMIT

An occupancy permit is required before any building or structure is used or occupied. It is usually secured after the completion of a structure. It is also required if there is any change of the existing use or occupancy classification of a building, structure or any portion thereof.

Office / Division	Municipal Engineering Office
Classification	Complex
Transaction Type	Government To Citizen (G2C) Government To Business (G2B) Government To Government (G2G)
Who May Avail	All those who undergo construction, alteration, major repair, renovation or conversion of any building/structure within the municipality

3.1. REQUIREMENTS FOR ISSUANCE OF OCCUPANCY PERMIT

REQUIREMENTS CHECKLIST		WHERE TO SECURE
1	Certificate of Completion	Contractor or who is in charge of construction
2	Construction Logbook	Contractor or who is in charge of construction
3	As-Built Plans	Contractor or who is in charge of construction
4	Original Building Permit	Applicant

3.2. PROCESSING STEPS FOR ISSUANCE OF OCCUPANCY PERMIT

CLIENT STEPS	AGENCY ACTION	FEES	DURATION	IN-CHARGE
1. sign in client log book and conduct brief interview	1. conduct brief interview	None	5 mins	Jenny-lyn M. Santos (Admin Aide I)
2. submit duly accomplished requirements	2.1. assess and review submitted documents	None	10 mins	Jenny-lyn M. Santos (Admin Aide I) Engr. Dean G. Alcantara

	.			(Engineer I) Engr. Anthony P. Maglaya (Municipal Engineer)
3. get schedule of building inspection and order of payment	3. verify and conduct occupancy permit	None	1hr on-site inspection	Engr. Anthony P. Maglaya (Municipal Engineer)
4. present the Order of Payment / Assessment Slip to the Municipal Treasurer's Office – Window 2	4. collect the necessary payment, print and issue the official receipt (OR) to the client	varies	15mins	Municipal Treasury
5. return to the Municipal Engineering Office and submit the official receipts and get the approved building permit	5.1 prepare the documents to be signed by the Municipal Engineer 5.2 Prepare the documents to be signed by the	None	10 mins	Jenny-lyn M. Santos (Admin Aide I) Engr. Anthony P. Maglaya (Municipal Engineer)

	Municipal Engineer			

TOTAL PROCESSING TIME ..... 1hr and 40m

TOTAL AMOUNT PAID ..... refer to 3.2.3

4. ISSUANCE OF CERTIFICATE FOR ELECTRICAL INSTALLATION

This certificate is required before starting any electrical installation and is necessary for inspection, approval, and eventual connection to the power supply. It also serves as proof that the installation is safe, properly designed, and meets government standards for residential, commercial, or industrial structures.

Office / Division	Municipal Engineering Office
Classification	Simple
Transaction Type	
Who May Avail	All

4.1. REQUIREMENTS FOR ISSUANCE OF CERTIFICATE FOR ELECTRICAL INSTALLATION

REQUIREMENTS CHECKLIST		WHERE TO SECURE
1	Barangay Clearance (1 Original Copy and 1 Photocopy)	Barangay of the Applicant

4.2. PROCESSING STEPS FOR ISSUANCE OF CERTIFICATE FOR ELECTRICAL INSTALLATION

CLIENT STEPS	AGENCY ACTION	FEES	DURATION	IN-CHARGE
1. sign in client log book and conduct brief interview	1. conduct brief interview	None	3 mins	Jenny-lyn M. Santos (Admin Aide I) Patrick E. Sabado (Admin Aide I)

2. present the Barangay Clearance to the Municipal Engineering Office	2.1. assess the client's document .	None	30 mins	Patrick E. Sabado (Admin Aide I)
3. present the barangay clearance to the Municipal Treasury (Window 2)	3. collect the necessary payment, print and issue the official receipt (OR) to the client	Php 180.00	30 mins	Municipal Treasury
4. return to Municipal Engineering and Present the Official Receipt (OR) to get the approved electrical certificate.	4.1. conduct inspection 4.2. prepare the electrical certificate to be signed by the Municipal Engineer 4.3 released the approved	None	2hrs 5mins	Engr. Anthony P. Maglaya (Municipal Engineer) Jenny-lyn M. Santos (Admin Aide I) Patrick E. Sabado (Admin Aide I) Jenny-lyn M. Santos (Admin Aide I)

	Electrical Certificate			Patrick E. Sabado (Admin Aide I)

TOTAL PROCESSING TIME ..... 3hrs and 11m
