13. Application of Insurance for Personal, Crop, Livestock's and Bancas

The Municipal Government of Caba recognizes the vital role of farmers in our community and firmly believes in the importance of insurance as a means of providing financial protection against unexpected losses or risks. To promote resilience and security in the agricultural sector, the local government actively encourages farmers to insure their crops, livestock, fishing bancas, and even themselves.

Understanding the challenges farmers face and the value they bring to local food security and the economy, the Local Government Unit (LGU) has taken the proactive step of **fully subsidizing the insurance premiums worth Php 112.50 for RSBSA Registered farmers' personal insurance, specifically Agricultural Producer's Protection Plan (AP3)**. This initiative ensures that our farmers and their families are safeguarded against unforeseen events, enabling them to continue their work with peace of mind and greater stability.
